

K-love is the primary radio station I listen to. It provides positive, encouraging music and dialogue. The station is incredibly enjoyable, sharable and never offensive. They provide community support/prayer through a toll-free number to anyone who needs it at no charge. If K-love were to be displaced by an LPFM broadcaster I would be very disappointed not to have access to quality listening both in content and audibility. The service provided by K-Love is invaluable as it sets the tone for loving relationships, strong families and spiritual growth. Please do not expand the LPFM service to take priority over current FM translators. Doing so is not in the best interest of America as a whole. Thank you.
